

## Alan Rosenzweig

Assistant County Administrator  
606-5300  
RosenzweigA@leoncountyfl.gov

Assistant County Administrator Alan Rosenzweig has more than 17 years of experience working in local government and has worked for Leon County for 10 years. He holds a bachelor's degree in Economics from Eckerd College and a master's degree in Governmental Administration from the Fels Center of Government at the University of Pennsylvania.

Prior to joining Leon County, Rosenzweig was the Budget Manager for Pinellas County and worked in the budget office in Sarasota County. He began his professional career as a Senior Consultant with Booz, Allen & Hamilton in Washington, DC, and has taught as an adjunct professor at Florida State University and for the Florida Association of Counties (FAC) County Commissioner certification program.

Rosenzweig oversees a number of County functions, including the largest department in the County, Public Works, which consists of Animal Control, Engineering Services, Fleet Management, Operations, Parks & Recreation and Solid Waste Management.

# ASSISTANT COUNTY ADMINISTRATOR

The Assistant County Administrator oversees a number of County functions, including Probation/Supervised Pretrial Release, Minority/Women Small Business Enterprise, Management Information Services and Geographic Information Systems, Purchasing, Facilities Management, Risk Management and the Office of Management and Budget, as well as the largest department in the County, Public Works. During FY 2009/2010, Management Services:

- Earned the Government Finance Officers Association Distinguished Budget Presentation Award for the 20th year in a row.
- Led competitive bidding for 15 projects that realized a savings for Leon County of more than \$1,280,000 on contracts valued at more than \$10,400,000 for a savings of 12.22%.
- Formed a Memorandum of Understanding with the department of Management Services and Office of Supplier Diversity in order to reduce barriers created by duplicating certifications and to increase the number of minority- and women-owned business enterprises participating in opportunities afforded by Leon County.
- Secured a \$500,000 federal grant for oblique imagery for a multi-county region, in collaboration with the Leon County Sheriff's Office.
- Implemented a telephone conferencing system for the Emergency Operations Center to provide enhanced services and a cost savings, as well as digital informational displays for Courthouse visitors, showing the court schedule, Courthouse events, weather, breaking news and videos of Board meetings and/or activities.
- Coordinated the design and construction of library expansions at the B.L. Perry and Northeast Branches, as well as the new Eastside, Woodville and Lake Jackson libraries.
- Coordinated the design and pre-construction activities associated with the new Public Safety Complex, which will be a joint-use facility for emergency response functions, the consolidated Emergency Communications Center, the Regional Transportation – Management Center, Emergency Medical Services (EMS) and administrative offices for the Fire Department and Emergency Operations Center.
- Completed a major renovation of the Courthouse Annex on Thomasville Road to add courtrooms, an elevator and new office space for the courts, Clerk, Guardian Ad Litem and more. The renovation also dramatically increased its energy efficiency.
- Completed the construction of a Concession Center and restroom facility at the Apalachee Regional Park, which provides both athletic and recreational activities for hundreds of citizens on a monthly basis.
- Coordinated the construction of a replacement Household Hazardous Waste Collection Center at the Solid Waste Management Facility with a drive-through option, increasing the level of customer service and staff efficiency while providing a safer work environment for staff.
- Monitored 80 defendants for court-ordered alcohol abstinence through Secured Continuous Remote Alcohol Monitoring (SCRAM) devices, representing 7,296 hours of 24/7 monitoring to-date.
- Collaborated with the Florida Department of Transportation to plant enhanced landscaping along newly constructed portions of Mahan Drive (Highway 90).
- Rebuilt a slope along Cloudland Drive that included an underdrain system and a synthetic turf enforcement mat. It earned the Big Bend American Public Works Association's Project of the Year Award.
